NIC #10542-82
29 December 1982

NOTE FOR: VC/NIC

FROM : NIO/GPF

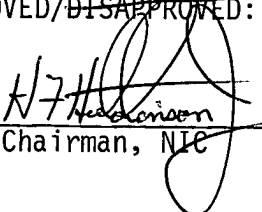

SUBJECT : TDY Request

I have been invited to speak to the Warsaw Pact Strategy, Planning and Operations Advanced Course at the Army War College on 5 May 1983 on the subject of Warsaw Pact mobilization and reinforcement. I plan to draw principally upon our completed IIM on Soviet forces readiness and our forthcoming work on NSWP ground and air forces. Request approval for this travel. ☐

Also, I would like to alert you to a possible requirement to travel with the DCI to Fort Leavenworth, Kansas, where he has been invited to speak on 25 January. I should know next week whether he plans to go and if he wishes for me to accompany him. ☐
